

GARDEN SCHEME

FOR THOSE AGED 65+ AND INFIRM

The scheme is open to residents of Hemsworth, Fitzwilliam and Kinsley who are over the age of 65 and have an infirmity.

(Residents who have received assistance in previous years who are infirm but are 60 to 64 will still receive assistance.)

The Council has implemented a charge of £5.00 per cut and payment will be required at the point of registering for assistance.

The scheme provides grass cutting and hedge trimming twice per year.

Due to difficulties in disposing of garden waste only grass cuttings from the front garden will be cleared. It may be necessary for Grounds Maintenance staff to utilise your brown garden waste wheeled bin if you have one.

Application forms can be obtained from the following address from 18 January 2017:

Hemsworth Town Council Community Centre,
Bullenshaw Road, Hemsworth, Pontefract WF9 4NE
