

Lakeside Cafe and Soft Play Area Opening February 2012

JANUARY 2012 - NEWSLETTER

The Council is delighted to be opening the Lakeside Cafe and Soft Play Area in February 2012. This service will provide an indoor cafe and soft play area to compliment the outdoor facilities already provided at Hemsworth Water Park. Thus making the Park a place to visit whatever the weather.

The cafe and soft play area is to be open seven days a week between 11:30am to 4:30pm initially. The Council intends to extend the opening hours as demand grows in the summer

period. The menu has been designed to provide cooked food from light snacks to full meals for both children and adults. Where possible our food is to be sourced locally and cooked to order. Our drinks include espresso, cappuccino, mocha, latte, hot chocolate, tea and herbal teas, along with cold drinks.

The seating at the lakeside consists of standard cafe tables and chairs, bench seating for larger parties and sofa seats. Most of the seating benefits from having a lake view and the natural light that streams in through the new windows and patio doors provides an open airy place to enjoy your visit.

The soft play area for children will keep youngsters aged up to approximately seven years of age happily playing whilst the adult sits in comfort in the seating area provided enjoying watching their children play.

The Council hopes that local residents will enjoy this new facility and that all generations from babies to children and parents to grandparents will enjoy a visit to the Lakeside Cafe what ever the weather.
